The petitioner Syed Mustafa Saheb, Senior Hakim of the Unani Hospital, Mysore, begs most respectfully to state that he has been very thankful for the increase of Rs 5 sanctioned to his present pay of Rs 35 in Government Proceedings No 260-4, Mi 563-07-3 dated 12th September last, and begs respectfully to lay his case before your honour with a strong hope that justice will be done to him

On the representation made by the petitioner to the President, Mysore City Municipal Council to place him in the same grade as Mr. Kempu Rama Panditt, on Rs 60 per month and also to grant him an allowance of Rs 15, he, the President, was pleased to recommend for an increase of Rs 5 to his pay now sanctioned by the Government and also for the grant of the allowance prayed for by the petitioner The Government was pleased to accord sanction to the increase of pay and refused to sanction the allowance recommended by the President The petitioner, therefore, begs to submit the following facts for your Honor's kind consideration

By order of the Government the Indegenous Hospital was opened in the City of Mysore on 1st. September 1892 Mr. Kempu Rama Panditt was appointed as Pandit of the Ayurvedic Dispensary and Mr. Munshi Gulam Husman Saheb as Hakim of Unani Dispensary both on salary of Rs. 25 to work under the supervison of Mr. Rangasamy Pillay, Hospital Asst. Surgeon who was given a pay of Rs 200 a month to be in charge of the Hospital On the expirey of two years both the Panditt and the Hakim were promoted to Rs 40 on 20th December 1894. Munshi Gulam Hussain Saheb having died in the year 1900, the Pandit alone was promoted to Rs 50 on 1st July 1902 and again to Rs 60 on 1st July 1903 with a charge allowance of Rs. 15 per month as Mr Rangasami Pilley, the Superintendent died in the latter part of the year 1900. Shortly after this, the Civil Surgeon was put in charge of the Indegenous Hospital but the allowance of Rs 15 granted to Mr Kempurama Panditt has however been continued to him and even now he has been drawing the same every month

On the death of Mr M Gulam Hussain Saheb, Hakim, the petitioner was appointed in his stead on a starting pay of Rs. 25 on 25th August 1900 and at the end of two years instead of promoting him to Rs. 40 he was given a small promotion of Rs 2-8-0 on 1st July 1902 and Rs 7-8-0 on 1st April 1903 Thus the petitioner was made to draw only Rs 35 from the latter date until the present increase of Rs 5 was sanctioned by the Government

From the foregoing facts your honor will graciously be pleased to observe that though the petitioner was in justice entitled to be promoted to Rs 40 so far back as 1st July 1902 as was done in the case of his predecessor and Mr Kempurama Pandit, yet the promotion was not given to him for nearly 6 years and thereby great injustice has been done to him

The petitioner begs to submit that since the date of his appointment he has brought the dispensary into an efficient condition and in consequence there of the attendance of patients has been steadily increasing Most of the patients that attend the Dispensary are Hindus Your honor will be convinced as to the condition in which this Dispensary is working by a kind perusal of the remarks made by the 1st Councillor in the Visitor's Book and its extract hereto appended On the representation made by the petitioner the cost of medicine which was being paid at Rs 30 per month has been increased to Rs 40 as the former sum was found insufficient An additional peon on Rs 5 was also sanctioned to the Unani Dispensary as the Establishment was also insufficient

The petitioner belongs to a respectable family and all the members of his family were employed in the Military Department and held high offices from the time of H H Tippu Sultan and they have rendered very good service to the State as Military Officers and own the esteem of the people as Hakims

The petitioner begs to be pardoned to state that he has been a successful Hakim and well trained in the art of Unani Medicines and his treatment is appreciated by the Public of Mysore He finds it very difficult to maintain his large family consistant with the dignity of his family with his small pay, especially, after the retirement of his father from the post of a Commander in Infantry which took place very recently

In conclusion the petitioner most respectfully and humbly begs that in consideration of the loss he has sustained by reason of his promotion being withheld for a period of 6 years though he was entitled and in consideration of his 8 years approved service rendered by him, your honor will be graciously pleased to sanction an increase of Rs 20 per month and place him in the same grade as Mr Kempurama Panditt and also grant him an allowance of Rs 15 per month for being in charge of the Unani Dispensary as Mr Kempurama Panditt cannot justly be considered to be in charge of the Unani Dispensary for he has no idea or knowledge of the Unani Medicine or treatment

For which act of kindness and justice the petitioner shall ever pray
